Education

Northwestern University   Anticipated June 2028
ANTICIPATED 2028, BS IN MECHANICAL ENGINEERING (ROBOTICS CONCENTRATION) | 3.95 GPA   Evanston, IL

Experience

Beta Technologies   July 2024 – Present
2021 – Present · Remote   Burlington, VT

- Identified bottleneck in MFG engineering workflow where labels are fitted onto ply shapes by hand, created polygon nesting script to automate label placement, integrated script into shop's production software stack saving hours on each build package
